

Preschool comparison worksheet

Put two to four centres side by side on the things that shape your family's week. Write a question mark for anything you do not know yet: an unknown is never a zero and never a bad mark, just a question for your next call or visit.

Our top three priorities _____ Target start month _____

What you are comparing	Centre A	Centre B	Centre C	Centre D
Centre (your own label)				

COST

Monthly fee quoted After subsidy, if quoted that way. Write before or after.				
Monthly extras Meals, transport, enrichment				
Monthly Cost = Fee + Extras Only when both are known; otherwise write ?				
One-off fees Registration, deposit, uniforms, materials				
First-Year Cost = 12 × Monthly Cost + One-Off Only when all three are known				

DAILY LIFE

Door-to-door commute Minutes, one way, at drop-off time				
Opening and closing times Latest pick-up and any late fee				
Programme type Full day, half day, flexi, kindergarten				

Care, place and open questions

We do not rank preschools or predict admission. Fees, subsidies and vacancies change; confirm them with each centre and ECDA. Enrolment is arranged with each centre directly. The fields match the Preschool Comparison Workbook tool, so you can type your notes in later; anything you type there stays on your device.
